WELLNESS WAVE EXPO

Vendor booth layout and information sheet.

Ultimate Light Mission reserves the right to modify layout to better preserve the comfort and flow of the event. Booth dimensions are included for your planning and will be kept as close to possible to what is listed.

Vendors agree to participate both days unless prior arrangements are made to maintain quality and setup of the event. Vendors may elect to share booth space and even split days with another Vendor upon request.

Refrigerators available for Vendor use as space allows. With enough preregistered booths, we will look to add catering options for lunch.

PERIMETER APPROXIMATE SIZING
